CHOOSE YOUR FINISH.

Four films for professional automotive installations.

FILM	FINISH	THICKNESS	WARRANTY
Redline Flagship gloss	High gloss	8.5 mil	15 years
Gridlock Premium gloss	Gloss	8.5 mil	10 years
Phantom Premium matte	Matte / satin	Contact WOT	10 years
Forged Performance matte	Matte	Contact WOT	8 years

Redline construction: 8.5 mil with a PCU top layer.

Finish selection: Choose gloss to preserve a glossy appearance, or discuss Phantom and Forged for a matte or satin project.

Warranty coverage is subject to applicable written terms, exclusions and installation requirements. Contact WOT for complete terms, product suitability and availability.

BUILD YOUR LINEUP.

Compare the series, then confirm the specifications for your chosen shade.

REV

Everyday performance window film.

Lifetime warranty*

VELOCITY

An upgraded option in the WOT window-film lineup.

Lifetime warranty*

SHIELD

Premium nano-ceramic window film.

Lifetime warranty*

Before selecting a film

Ask for visible light transmission, heat-rejection specifications, available shades and roll widths. Compare performance using the same test method.

* Lifetime warranty is subject to applicable written terms, exclusions and installation requirements. Contact WOT for complete warranty information.

TSUNAMI

Your boat was built to be seen. Keep it looking that way.

HIGH GLOSS / 60-INCH x 50-FOOT ROLL / 5-YEAR LIMITED WARRANTY

Scratch & scuff protection

Helps protect against everyday contact.

UV resistance

Helps preserve the finish against sun exposure.

Self-healing finish

Light surface marks can recover with heat.

Hydrophobic top coat

Helps water and grime release for easier cleanup.

Stain resistance

Protection from common on-water residue.

Clear, high-gloss appearance

Lets the boat's original finish show through.

Coverage that fits your boat

Discuss approved above-waterline hull sides, gunwales, cap rails, consoles, and suitable bow, deck and transom areas with your installer. Confirm suitability for textured or non-skid surfaces. Not an underwater or antifouling coating.

Warranty coverage is subject to applicable written terms, exclusions and installation requirements. Contact WOT for complete terms, product suitability and availability.
